The new plan for all City Medicare retirees is supposed to be effective 1/01/22. We will now have an annual deductible & co-pays. I have included 2 FaceBook sites in the Newsletter pertaining to the Medicare changes. Lots of retirees are against it.

IV. COMMITEE REPORTS:

President's Report:

NEXT GENERAL MEETING IS SEPTEMBER 14TH, 2021, FOOD SERVED AT 6PM, GAVEL 7PM. No meetings will be held during the months of July & August.

The By-Laws for the Manasota 10-13 Club were brought up for a vote at the last meeting on March 16th, 2021 and a vote was put forth in front of the membership but based on the existing by-laws this was done in error. As per the by-laws, the vote needs 2/3rds to be passed by the membership and will be cast in a secret written ballot. Associate members are not entitled to vote on this issue.

Executive Board meeting was held on April 27th, 2021 to discuss and vote on the amendment regarding the wording in the existing by-laws for "life membership" status.

Discussion was held in reference to this matter and at the this meeting on June 8th, 2021 the vote will be brought forth to the membership for a vote. There will also be a vote on those who are eligible for life membership as well as the life membership definition possibly being replaced in the current by-laws.

The existing Webpage needs to be updated and right now we can hire a woman Sara Welch who charges \$50 a month to updated the page. I will send her an email to request her services for one year and we will be charged a one-time design fee of \$250 in addition.

We have added 83 new members since 2015 and hopefully they can start attending meetings and some of our activities when we are able to get back to doing them since start of COVID-19.

- H. Tony Marone brought up the resolution in Condemnation of the appointment of a felon who killed a police officer to a committee who makes recommendations for the reform of a police department. Resolution was mailed to Governor Cuomo & Mayor of Ithaca, NY.

Whereas, Governor Cuomo, the Governor of the State of New York, did issue Executive order number 203, which required that local governments within the State that operate police agencies, to review their public safety policies and prepare a report on their plans to address the needs of the communities served by such police agencies and to ensure that fairness and legitimacy in addressing racial bias and disproportionate policing of communities of color, with a directive to respond to the Governor by April 1st, 2021. And whereas, in response to the Governor's order, the Mayor of the City of Ithaca in union with the Executive Officer of Tomkins County, both of New York State, did form a committee to accomplish the mandates of the Governor's order. And Whereas, the Mayor of Ithaca, et al, unconstrained by the Governor of NY, did appoint one, Richard Rivera, male Hispanic, a felon and parolee, convicted of the brutal murder, execution style, of Police Officer Robert Walsh of the Police Department of the City of New York, during the commission of an attempted robbery at a bar and grill in Queens county, New York, on January 12th, 1981. And whereas the family of the slain officer did publicly express their complete shock and anguish that the man who murdered their father could be trusted to create police reform. And whereas the members of the Manasota 10-13 Club, agree with the sentiments expressed by the members of Police Officer Walsh's family and further, we protest the vile way in which this appointment disrespects and dishonors, not only the memory of Police Officer Walsh, but is an absolute insult to all our honored dead who gave their lives for the protection of the people they served in New York, throughout America and, indeed, throughout the civilized world.

Now, therefore be it Resolved that we, the members of the Manasota 10-13 Club assembled at the regularly scheduled monthly meeting of the Club on the 11th day of May in the Year of Our Lord, 2021, do utterly condemn not only those who made this unwanted, unwise, and unwarranted appointment, but we also strongly express our complete disapproval of the Governor's failure to monitor the members appointed to the committee and his failure to place any constraints on those responsible for making the appointment. And be it further resolved that we, the members of the aforesaid Club, do reject the counterfeit expressions of remorse by the perpetrator, or any excusal of his behavior based on his youthful age of sixteen years at the time of occurrence of the murder of Police Officer Walsh.

- I. LEOSA HR 218 qualifications on Tuesday June 15th, 2021 at 10:00 am we will meet at the Sheriff's Office parking lot and proceed to the Manatee Gun and Archery Range at 1805 Logue Road, Myakka City, FL 34251 off State road 64 to shoot. Subject: FW: Frequently Asked Questions (FAQs) About the NYC Medicare Advantage Plus Plan
Importance: High

Hi all,
Stay healthy and stay safe!
Lots to digest. Print out and keep for future reference.

The following was provided by the City of NY & Municipal Labor Committee

Frequently Asked Questions (FAQs) About the NYC Medicare Advantage Plus Plan

The City and the Municipal Labor Committee (MLC) recently announced an agreement to implement the NYC Medicare Advantage Plus Plan, a customized program for City retirees, beginning January 1, 2022. The City and the MLC recommend that retirees strongly consider the new premium-free plan with improved benefits, which represents real value for our retirees.

What is the new NYC Medicare Advantage Plus Plan? The City and the Municipal Labor Committee (MLC) have been working together to offer a unique customized large group Medicare Advantage plan that will provide better member benefits for NYC retirees at lower costs to the City.

Is the retiree program still premium-free? Yes. The NYC Medicare Advantage Plus Plan replaces the current GHI/EBCBS Senior Care program, which is a supplement to traditional Medicare, as the program that is premium-free to all Medicare-eligible retirees. All other plans will still be available as a pay-up option. Retirees that choose to stay on their current plan will now pay the additional premium difference.

What is the start date for the NYC Medicare Advantage Plus Plan? The start date is January 1, 2022.

How does the New Plan Work? The NYC Medicare Advantage Plus Plan replaces both traditional Medicare and a Medicare Supplement plan with a single integrated program administered by an insurer approved by Medicare. Through a contract with Medicare, the NYC Medicare Advantage Plus Plan provides all health care services previously covered by original Medicare and supplemented by the Senior Care program. The Plan must follow Medicare rules and provide all benefits provided by Medicare. The new Plan will also add some important new benefits not covered by the current

Senior Care plan, including:

- transportation costs for 24 one-way trips per year to doctors' offices;
- home meals delivery for patients after they are discharged from the hospital;
- a fitness program;
- a wellness rewards program;
- \$0 copay telemedicine with the LiveHealth platform. Municipal Labor Committee

Can I go to my current doctors and hospitals? Yes. The NYC Medicare Advantage Plus Plan is a Group Medicare PPO, which does not restrict access to providers. Retirees can go to any doctor or hospital that accepts Medicare of which there are now approximately 850,000 Medicare providers nationally. About 640,000 of those Medicare providers are currently in the Empire/Emblem Alliance networks and are contractually bound to see NYC Medicare Advantage Plus members. Providers that are not contracted with the plan would bill the NYC Medicare Advantage Plus Plan to get reimbursed, like they do for traditional Medicare. It doesn't make a difference if that provider is in the insurer's network or not. As long as the provider takes payment from Medicare, they can bill the NYC Medicare Advantage Plus Plan and be paid the same amount as traditional Medicare pays. This includes all the hospitals in the NYC area including Memorial Sloan-

Kettering (MSK) and The Hospital for Special Surgery (HSS), almost all hospitals nationally, and 99.5% of all doctors.

What if the provider I am seeing does not agree to accept payment from the NYC Medicare Advantage Plus Plan? In the very rare instance where a provider that accepts Medicare tells a retiree they will not accept payment from the NYC Medicare Advantage Plus Plan, the retiree should first contact the concierge service that will be provided so that the plan can work with the provider to make sure they understand it is the same payment schedule and billing protocol and answer any questions the provider may have. If despite that effort, the provider still refuses, the member can pay the provider and then submit the claims to the plan for reimbursement. So long as the service is a Medicare covered benefit and Medicare fee schedule is followed, the member will only be responsible for their copays/coinsurance as defined by the plan. Who will provide the NYC Medicare Advantage Plus Plan? After careful consideration, the City and the Municipal Labor Committee selected an alliance between Empire BlueCross BlueShield and EmblemHealth to provide the program. This provides continuity and familiarity for the majority of employees and retirees who are currently enrolled in the City's CBP and Senior Care programs that are offered by the same insurers. EmblemHealth will continue to administer the Part D rider.

What do I have to do? If you are a retiree covered by a City Medicare health plan, you will be automatically enrolled in the new Plan for January 1, 2022.

You don't have to do anything. However, you must be enrolled in Medicare Part A and Medicare Part B and continue to pay your Medicare Part B premiums.

Can I choose another plan or is the NYC Medicare Advantage Plus plan my only choice? You can choose to remain on your current plan by opting out of the NYC Medicare Advantage Plus plan during the opt-out period between September 1 – October 15. By opting out of the NYC Medicare Advantage Plus plan, you will be responsible for the full premium difference between the NYC Medicare Advantage Plus plan and your plan's cost. You will receive information about the NYC Medicare Advantage Plus plan and opt out process in mid-August.

Will this be the only time I can opt in or opt out? No, the City will be offering an Annual Transfer Period. In the past, transfers between plans were only permitted every other year. Beginning in 2022, transfers between plans will be permitted every year in the Fall.

Will the City still reimburse my Medicare Part B premium? Yes.

As a member of the NYC Medicare Advantage Plus Plan, do I need a referral to see a specialist? No.
Do any services require preauthorization? Yes. Just like the plans for active City employees, some medical procedures will require preauthorization under the NYC Medicare Advantage Plus Plan. When you see an in-network provider, the doctor and the insurer will handle the preauthorization. When seeing out of network doctors, while prior authorizations are not required, we recommend you ask your provider to request a prior authorization to confirm that the services they are providing will be considered medically necessary and covered.

What if I live out of state? The program is a national program so it covers retirees in any State in which they work or reside and when they travel. To be eligible for NYC Medicare Advantage Plus Plan, members must live within the 50 states or any US territory, including Puerto Rico.

Must I have a Medicare Part D prescription drug rider through the NYC Medicare Advantage Program? If you do not receive prescription drugs through your union welfare fund, you may purchase the prescription drug rider for the NYC Medicare Advantage Plus Plan. This Part D prescription drug plan rider will be the same as the one offered through EmblemHealth for the Senior Care program. If you choose not to take any Part D coverage, you may be subject to a permanent penalty in the future. If you have purchased individual Part D coverage, enrolling in the NYC Medicare Advantage Plus Plan will result in disenrollment from your individual Part D plan. You would need to obtain prescription drug coverage through your union or the City Part D prescription drug plan rider.

What happens where the retiree or spouse is under age 65? As they do today, the retiree and spouse have to choose an insurer that offers both an over 65 option and an under 65 option. The over-65 member will be automatically enrolled under the NYC Medicare Advantage Plus Plan and the under-65 member will be in the Empire GHI/CBP plan, both at no cost to the retiree. If, for example, the retiree chooses to pay up to remain in the HIP VIP plan, the under 65 spouse will be enrolled in the HIP HMO for non-Medicare eligible participants at no cost. If the retiree chooses to pay up to remain in another pay up plan, the under 65 spouse will pay up to remain with the same insurer.

I have surgery scheduled for January 3rd with my current carrier. What should I do? The NYC Medicare Advantage Plus Plan clinical transition team will work with you and your doctor to ensure continuity of care.
What happens if I go into the hospital in December and I'm not discharged until January? The insurer that was in place at the time of the inpatient admission will be responsible for the entire inpatient stay. If that was traditional Medicare and GHI/Empire Senior Care, they would be responsible for the claim for the entire stay.

Where can I call for more information about the NYC Medicare Advantage Plus Plan? As of July 26, 2021, there is a special call center (1-833-325-1190) established for the NYC Medicare Advantage Plus Plan to answer all your questions. The call center hours of operations are Monday to Friday, 8 a.m. to 9 p.m. ET, except holidays. You will also be receiving extensive materials in mid-August that explain the details of the plan and the enrollment process. In addition, there will be retiree meetings available all over the NYC area in September, as well as webinars for those who prefer not to attend in person meetings. Keep checking this website for additional information.

NYPD Collier County 10-13 Club

Collier County N.Y.P.D. 10-13 Club is part of a National organization open to all retired New York City Police Department members, and any retired Law Enforcement in the nation. The 10-13 is a New York City Department radio code signal to Assist a Police Officer (Calls for Help) and we strive to assist our fellow officers with supporting and aiding our members and other active and retired first responders. Our goal is to encourage social, charitable, educational, benevolent, and fraternal activities among the membership. Our Club is actively involved, and has a good working relationship with, the Collier County Sheriff's Department and the Naples Police Department. Collier County 10-13 Club is also actively involved throughout the year in supporting causes such as children's diabetes or a Police Officer or first responder that needs assistance in paying medical bills.

Cancer Alliance of Naples (C.A.N)

Cancer Alliance of Naples was formed in 2002 with a group of volunteers to help our neighbors and friends through the most difficult times anyone can imagine. These volunteers saw a grave need in our community to offer assistance to cancer-stricken families and individuals whose lives were being turned upside down financially and emotionally and forced to make life changing medical decisions as well as dealing with mounting pressures of everyday living expenses. Cancer Alliance of Naples helps survivors, and their families pay rent, so family won't be evicted, pay utilities so they won't be turned off, pay for food for nourishment or car payments so 'they won't be repossessed. Our goal is to help families get on with their lives while they fight for theirs. Cancer Alliance of Naples is where patients throughout Collier and Lee County can feel welcome and support. Cancer Alliance is here to help when there is nowhere else to turn.

Collier County 100 Club

Collier County 100 Club was incorporated in 1985 and is part of an organization that has existed for many years throughout the country providing immediate financial support to the families of fallen officers. Over time the Collier County 100 club broadened their mission to include all first responders in Collier County to not only include the Collier County Sheriff's Office, but the various police and fire departments and emergency medical services, as well as the Florida Highway Patrol and the Florida Wildlife Officers serving Collier County. Besides their mission to providing immediate financial support to the families of falling first responders the club also financially assist first responders and their families in times of tragedy. This was to acknowledge the many financial burdens placed on first responders by tragedies other than line of duty deaths.

PHONY ORDER CONFIRMATION SCAM

Received this from my sister-in-law Tracey who lives in Washington State in response to last month's Crime Scene.

Excellent crime scene.

I have noticed a common email scam lately. It says it's a "confirmation" about my order. It has come from Target, Amazon, Walmart, and several other entities I have ordered from. It says there was a problem processing my original order and it asks me to confirm the order by putting in my address, bank account information, and username and password.

I know this is a scam but I can imagine that many people fall for it. Lately, I have also gotten several emails saying that my order has been CONFIRMED and I am being charged X amount of dollars. It says "if you did not place his order, click here and we will refund your money to your account", and naturally, it asks for my account info, user name and password.

It blows my mind that probably a third of the emails I receive in a week are this type of scams. It's awful.

My response to Tracey:

The Phony Order scams are all over the place! You know it is a scam so do some other folks. They usually check with the entity that allegedly sent the communication.

Here is a reasonably new con I received using Comcast/Xfinity that requested my username and password among other things to register for the adjustment.

Good news! You're eligible to receive a courtesy adjustment

Many sporting events and broadcasts were put on last this year from April through December due to the COVID-19 pandemic. We have worked hard to recover the fees regional sports networks charged us during the hiatus to pass back to our customers. We are committed to giving customers 100% of what we receive, and, since you were an Xfinity customer during this time period, you're eligible to request a courtesy adjustment of \$9.84.

This adjustment reflects what has been committed to us by the regional sports networks in your area to date. We will continue to work to recover additional funds where possible.

Thank you for the time you spent with us and we hope to see you again soon. You can claim your adjustment below. Please note you must make this request by filling out this form by September 20, 2021.
